The CMA Education Foundation Scholarship Program is open to students as follows:

- All maritime academy students participating in a maritime related field of study, including deck, engine, and non-regimental students;
- Undergraduate and Graduate School students in the United States at maritime academies, or at colleges and universities that have maritime related degree programs;

- High School students enrolled in schools in the United States with maritime related programs;
- Students in their final year of High School or College, if they are continuing their maritime related education upon completion of their current program;

Selection Criteria:

- Students must provide contact information for one faculty reference (field above).
- Students must provide at least one letter of reference/recommendation from a faculty member or industry professional. (These can also be sent directly to the CMA at cma-education-board@googlegroups.com)

-Applicant's name must be on each page of the application/essay(s).

Essay:

Applicants are required to write a short essay (approx. 750 words) answering either or both of the following questions:

- **How will the Maritime Industry deal with change in the next five to ten years?**
- **How would you change the Maritime Industry?**

Please Note:

- Scholarships will be awarded on the basis of academic achievement and/or financial need by the CMA Education Foundation. If students are applying on the basis of financial need, they are asked to provide supporting documentation as appropriate.
- Incomplete applications will not be considered for awards.
- The CMA Education Foundation reserves the right to determine the number of scholarships awarded in any given academic year.

Application Submission:

All applications, Essays and letters of reference/recommendation shall be returned to the CMA Education Foundation together in One Email to cma-education-board@googlegroups.com by June 22, 2018.
